

SHIPPING CHARGES & ORDER FORM

Discount Dance Supply proudly ships using eco-friendly packaging.

Depending on the item(s) you purchase and the location to which the items will be delivered, different shipping methods will be available. Each shipping method has its own restrictions and charges that will be applied to your order. Please note, some items may offer only one shipping method.

Shipping costs are dependent on the items in your order and the shipping method you select. Shipping costs for orders are based on the weight of the total order. An order containing multiple items typically receives a volume-shipping discount and therefore your total shipping cost may be lower than the sum of the individual shipping charges for each item. To determine the shipping charge for your order, please visit our website at www.discountdance.com or contact Customer Service at 800.328.7107.
